I am directed to furnish the following information
in respect of clauses (a) and (b) of the question
enclosed with the Government of India's letter cited:

Clause (a): There are ten coop. societies for leather
workers in this state and they are engaged in the
manufacture of footwear, leather bags, purses etc.

x subsidies to
them for the

Clause (b): The Government of Madras have been
encouraging leather workers cooperative societies by
sanctioning purchase of equipment and tools and also
towards the cost of their establishment and contingent
charges.

The Government have recently placed a lumpsum
provision of Rs. 45,600/- at the disposal of the R.C.S.,
Madras, for the grant of subsidies to deserving cottage
industries cooperative societies including leather
workers societies, towards their establishment and
contingent charges and for the purchase of equipment.
A sum of Rs. 6260/- has so far been disbursed on this
account, out of which Rs. 750/- was paid to a leather
workers coop. society for the purchase of equipment and
tools. The Government ~~also~~ have also ordered that all
their departments requiring leather goods should obtain
their requirements of sandals shoes etc. from coop. indl.
societies in cases where the Jail department is unable
to supply these articles within a reasonable time and
provided also the goods supplied by the societies are
of acceptable quality and the prices compare favourably
with the prevailing market rates.
